Meeting dates have been posted on all the Culture Change Boards

Culture Change News:

Attention All Staff:

We want your input on how to make a more homelike environment for our residents right NOW:

The NOW Action Team has placed a suggestion box in the Employee Breakroom. We are looking for suggestions on how to make a more homelike environment for the residents right now. No big building projects or major overhauls, just simple things we could do right now to make things better for our residents.

The suggestions will be gathered weekly and listed out for the other staff to see and hopefully we can implement some of these suggestions quickly. Please sign your suggestion so we can ask for more details if necessary.

You can also submit a suggestion via email at mbmcf@meadowbrookmcf.com, or on the Meadow Brook home page.

Thanks, from the NOW Action Team: Rob Younce, Jen Held, and Cheryl Patton

Be sure to check out the informational Culture Change Boards located in the Front Office Entrance, Ambulance Entrance, Service Hall Entrance and the Employee Breakroom.

Computer Kiosks are coming soon for all employees to be able to access the internal Meadow Brook Website and information on Culture Change. These kiosks will be located in the Employee Breakroom, Ambulance Entrance and the Service Hall Entrance.

Former software engineer Harold Warton has just successfully hacked into the home's MDS files.
